Ideas/comments

Open to the floor

Notes

8pm: Adjourn to local watering hole for drinks and snacks

OCEAN FRONTIERS II

FILM SCREENING & PANEL DISCUSSION

WED. APRIL 13th
5:45pm - reception
6:30pm - film & panel
FREE Admission & Snacks

**Founders Hall Auditorium
George Mason University**
3351 Fairfax Dr., Arlington
Virginia Square/GMU Metro
Station (orange & silver lines)

In a region steeped in old maritime tradition, the film tells of a modern wave of big ships, offshore wind and a changing climate, and how people are coming together to plan for a healthy ocean off their coast.

Join us after the film to discuss the Mid-Atlantic Regional Ocean Action Plan and how we can help sustain the ocean environment, marine livelihoods, and coastal cultures in our increasingly busy waters.
